Brief report on monetary matters at Field Stations respecting anticipated inspection tour of the Deputy Director (Administration)

1. At your request, there is forwarded herewith, in Attachments I, II, III and IV, certain material which, it is felt, may be of general interest to the Deputy Director (Administration) and which the latter may wish to review prior to his departure.
2. The subject data has purposely been held to matters of a general, rather than a specific and detailed nature since it is believed that his visit at each Station will, by necessity, be brief and necessarily concerned only with major problems.
3. More complete details can be submitted on any point which would appear to merit further consideration or clarification.
